

NURUL IZZATI HAYAT

COMPUTER SCIENCE STUDENT | SOFTWARE DEVELOPMENT

Selangor, Malaysia | nurulizzatibintihayat@gmail.com | github.com/nurulizzatihayat | linkedin.com/in/nurulizzatihayat

PROFESSIONAL SUMMARY

Computer Science student specializing in Software Development with a CGPA of 3.94 and practical experience in web development, backend development, and programming education. Hands-on experience with Python, Flask, PHP, Laravel, MySQL, RESTful APIs, responsive web development, Git, and GitHub. Completed a Web Development Internship involving backend development and mentoring students through coding activities. Seeking a software development internship or entry-level software development role where I can contribute to real-world applications and continue developing strong engineering skills.

EDUCATION

Universiti Teknikal Malaysia Melaka (UTeM) — Bachelor of Computer Science (Software Development) with Honours | 2025-Present

CGPA: 3.94

Universiti Sultan Zainal Abidin (UniSZA) — Diploma in Computer Science | 2022-2025

CGPA: 3.91

Seri Keramat Secondary School — Pure Science | 2017-2021

SPM: 7A, 2B

EXPERIENCE

Web Development Intern | Kidocode | September 2024 - March 2025

- Conducted web development classes and guided students through hands-on programming and coding activities.
- Mentored students in programming fundamentals, debugging, and practical software development exercises.
- Collaborated with a development team to build an e-commerce web application.
- Contributed primarily to backend development using Python, Flask, and MySQL.

PROJECTS

Intern Buddy | Web Application

- Developed a web application focused on simplifying the internship search and application management process.
- Designed functionality for internship opportunity discovery, application tracking, and progress monitoring.
- Applied full-stack web development concepts to address a practical problem faced by students searching for internships.

TECHNICAL SKILLS

Programming Languages: Python, PHP, JavaScript, HTML, CSS

Frameworks: Flask, Laravel

Database: MySQL

Web Development: Full-Stack Development, Backend Development, Responsive Web Development, RESTful APIs

Software Engineering: Data Structures, Problem Solving, Debugging

Tools & Platforms: Git, GitHub

ADDITIONAL INFORMATION

Career Interests: Software Development, Web Development, Backend Development, Full-Stack Development
